MISSION STATEMENT

This Corporation was established as an instructional youth football and cheerleading league to teach and promote the highest ideals of sportsmanship, fellowship, teamwork, and dedication. Our emphasis will be on playing the game and not winning at any cost. We will provide athletic participation as a recreational pursuit, and competition for all participants regardless of race, creed, color, religion or sex, by providing a supervised football and cheerleading program for eligible participants. We offer the opportunity for adult members to coach, supervise, instruct or otherwise participate in the activities of the Corporation.

MOTTO

“YOUTH FIRST, SPORT SECOND” is the motto of the Frisco Football League (FFL). All actions and decisions will be predicated on the advancement of this ideal.

REMARKS

The FFL policies and procedures are written as a guideline to govern football & cheer. The FFL Board will refer to the University Interscholastic League (UIL) and NCAA rules to make a decision regarding any situation, which arises, that is not covered by this handbook.

CHEERLEADING POLICIES

ELIGIBILITY

- A. Each participant must register with the FFL and must be residents of the city of Frisco or live within the Frisco Independent School District (FISD). Non-city and FISD residents will be considered on an exception basis. The purpose of required approval is based solely on the team and field availability determined by the Board.

2017 Cheer Policies & Procedures

- B. A participant must be at least 5 years of age on or before September 1st of the registration and not more than 13 years of age. Any age variances must have Board approval.
- C. Divisions are determined by age. Cheerleaders will cheer in the division according to their age level for the fall football season.

Age Division	Grade Level
Cheer 5	Kindergarten
Cheer 6	1 st
Cheer 7	2 nd
Cheer 8	3 rd
Cheer 9	4 th
Cheer 10	5 th
Cheer 11/12	6 th

- D. Age will be the primary driver for placing a cheerleader in a division. At registration a parent may request that a cheerleader be placed in a division based on grade. **They may cheer “up” no more than ONE year and ONLY to cheer with or for a sibling and only if their age is greater than or equal to the age required to cheer for 6u (meaning they may not be 5u and cheer up – AFTER 5u they may cheer up 1 year to cheer FOR or WITH a SIBLING only (not other family members).** A cheerleader may not cheer down for any reason other than cheering to grade.
- E. Eligibility variances to the standards listed in item D will be governed as follows:
- An FFL ‘Eligibility Appeal – Request Form’ must be completed no later than registration.
 - All FFL Cheer eligibility appeals require FFL Board approval.
 - Appeals are considered based on the specific individual’s needs and the team’s best interest.
 - Eligibility variations are subject to review and may change at any time.
 - Eligibility appeals only apply for one season.

TEAMS

- A. All participants will be assigned to teams according to their age and/or grade.

2017 Cheer Policies & Procedures

- B. All cheerleaders are divided equally among the cheer squads formed in their own division.
- C. In the event that the League needs teams to cheer in another division due to numbers, the Coaches will be advised. For example, the number of football teams in the 7 division is more than the cheer registrants for the 7 division. The League could have 6 division cheerleaders in the 7 division.
- D. Coaches must use their regular roster in all post season games & other events.

TEAM COACHES

- A. **Each team shall have a certified Head Coach.** All new incoming head cheer coaches must be interviewed by the Cheer Board Members before he/she is given a squad. Squads **WILL NOT** be awarded to any applicant that has not been interviewed.
- B. All coaches will be responsible for seeing that their assistants and cheerleaders conduct themselves in a manner as to attain to the purpose of this organization.
- C. All Cheerleaders must be utilized in every cheer and routine – unless they aren't meeting participation requirements.
- D. All cheerleaders must be under direct supervision of a certified FFL coach or their respective parent at every practice plus before, during, and after the game until released by the coach. Coaches will not leave cheerleaders alone on the game or practice field unless supervised by certified FFL coach or the cheerleader's parent.
- E. During a scheduled event, coaches will not allow any cheerleaders to leave the field during the game without a certified FFL coach, or that said cheerleader's parent/guardian with them. Cheerleaders should only leave the field in case of an emergency or a restroom break.
- F. The FFL Board Designee recommends Head Coaches to the Board for final approval. The FFL Board will award each head coaching position based on a combination of interview, background check, and Coach's Application.
- G. Head Coaches may select their Assistant Coach(es). The FFL recommends that each team have a minimum of (2) certified assistant coaches. Assistant Coaches must be registered, have a completed background check, and FFL certification on file.
- H. Must report all injuries to the League President on the provided League "Accident Report Form", within 7 days of injury, or the next game day, whichever comes first.

2017 Cheer Policies & Procedures

- I. Will teach cheerleaders the rules and fundamentals of cheerleading.
- J. Must keep an attendance record of all practices.
- K. Head Coaches will select a lead assistant coach who will be in charge in their absence.
- L. Must report to the Board any cheerleader who drops out of the program, within twenty-four (24) hours.
- M. If any cheerleader will not be allowed to cheer in a game, the Head Coach must notify parent/guardian, cheerleader, and FFL **Cheer** Board by filling out a "Player Participation Form" and return it to the FFL **Cheer** Board, 24 hours before game time. Specific reasons and records must be submitted to justify said actions.
- N. Will treat all cheerleaders equally and will stress the fact that cheerleading is a team sport. One or more Head Cheerleader (or Captain/Co-Captain/Team Leader) will be rotated weekly and each cheerleader will be Head Cheerleader (or Captain/Co-Captain/Team Leader) at least once.
- O. Will not administer medication.
- P. Will ensure that squad members have water at all practices and games.
- Q. Warm-up exercises and stretching should precede all practice sessions, pep rallies, games, competitions and other physical activity.
- R. The cheering surface, location, lighting and weather conditions should be taken into consideration before engaging in physical activity.
- S. One coach from each squad must attend the League organized Stunting Clinic and Cheer Coach Clinic to learn the proper techniques for stunting and obtain information about game day expectations. All coaches are encouraged to attend. Attendance is **mandatory** in order to allow teaching/instructing stunts to cheer squad and enabling them to perform said stunts at games or other events.
- T. Cheer coach attire for games should be in good taste and represent your team colors and illustrate that you are serving as coach to said squad.
- U. Coaches are not automatically guaranteed a team following their first season – the decision on if they are asked to return will be made by the cheer board members based on information from the previous season as well as retention of girls from the previous season.

- B. All FFL coaches are required to demonstrate positive sportsmanship in respect to their players, cheerleaders, team, parents, opposing team's players, cheerleaders, parents, coaches, and game officials. - C. Any coach who is ejected from a game for un-sportsmanlike conduct will be required to leave the complex and will be unable to attend practice for the next week, or coach in the next scheduled game. The Coach will be required to meet with the Board or Board Designee(s) in order to resume coaching. This includes post-season play. The continued demonstration of improper sportsmanship may constitute suspension from any number of practices, and games, as the FFL Board deems necessary. **No appeal is offered for a coach who has been ejected.**
- D. Coaches are responsible in assisting referees with the sportsmanship of all-playing and non-playing team members, as well as spectators, and fellow coaches.

ALLOCATION OF SQUADS

- A. The number of squads, and number of cheerleaders per squad, will be determined based on the availability of Cheer Coaches, the number of registered cheerleaders, and the number of football teams. The League will make every effort to provide cheer squads for every football team, but it will depend on the number of available squads in each division.

ALLOCATION OF PLAYERS

- A. New squads will draft first (Draft order for more than 1 new team will be determined by a blind number draw). All returning squads draft order will be determined by blind number draw.

It would take the place of 2 practices that week and is COMPLETELY optional – this is to assist those teams with multiple activities and provide an opportunity for the coaches to teach the bulk of their material at one time.

GAME PROCEDURES

If the music would not be appropriate in a classroom setting, it does not belong in the FFL. Lyrics using profanity, or regarding the use of drugs, alcohol, or sexual activities are NOT allowed. Any performance or music viewed as improper will be requested by the Board or Board representative to immediately stop performance.
